An architectural rendering of the Black Box Theatre building. The building features a prominent, angular, light-colored facade with a large, dark, rectangular section. The words "BLACK BOX" are visible on the side of the building. The building is surrounded by a landscaped area with green grass, trees, and a paved walkway. A yellow car is parked on the street in front of the building. In the foreground, there is a paved area with a large, white, umbrella-like structure and a few people walking. The overall scene is a detailed architectural visualization of the proposed building and its surroundings.
